

Horse Activities Bingo

A Fun & Inspiring Way to Bond with Your Horse!

How It Works

► Print Your Bingo Card

Download and print the bingo sheet. There are two versions available: a colorful version for color printers and a simplified black-and-white version.

► Choose Your Activities

Use your 52 Things To Do With Your Horse cards to fill in the blank squares. Pick your favorites or the ones that feel fun to try next. Each square becomes a goal to check off as you go!

► Complete Activities

Each time you and your horse complete an activity, cross it off your card.

► Achieve Bingo!

Challenge yourself to complete a full row, column, diagonal, or even the entire board over time.

A Fun & Inspiring Way to Bond with Your Horse!

Setting Rewards

Adding rewards to your Horse Adventure Bingo challenge is a great way to stay motivated and celebrate your progress!

Every time you complete a row, column, or even the entire bingo card, take a moment to treat yourself to something special. Rewards can be simple or more indulgent, but they should feel like a little celebration of the time and effort you're putting into strengthening your bond with your horse.

Below are some fun and inspiring reward ideas to choose from, or you can come up with your own! A dedicated space is provided on the bingo card to jot down your rewards so you can look forward to them as you go.

Favorite Snack or Treat – Enjoy your favorite dessert or snack.

Horsey Movie or Book Night – Watch a horse-themed movie or read a horse book for inspiration.

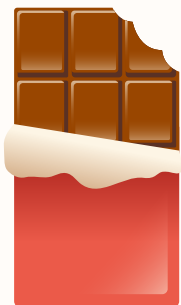

Small Horse-Themed Gift – Buy yourself something fun like a new horse mug, T-shirt, or journal.

Outdoor Relaxation – Spend time outside just enjoying nature and fresh air with your horse. No rush.

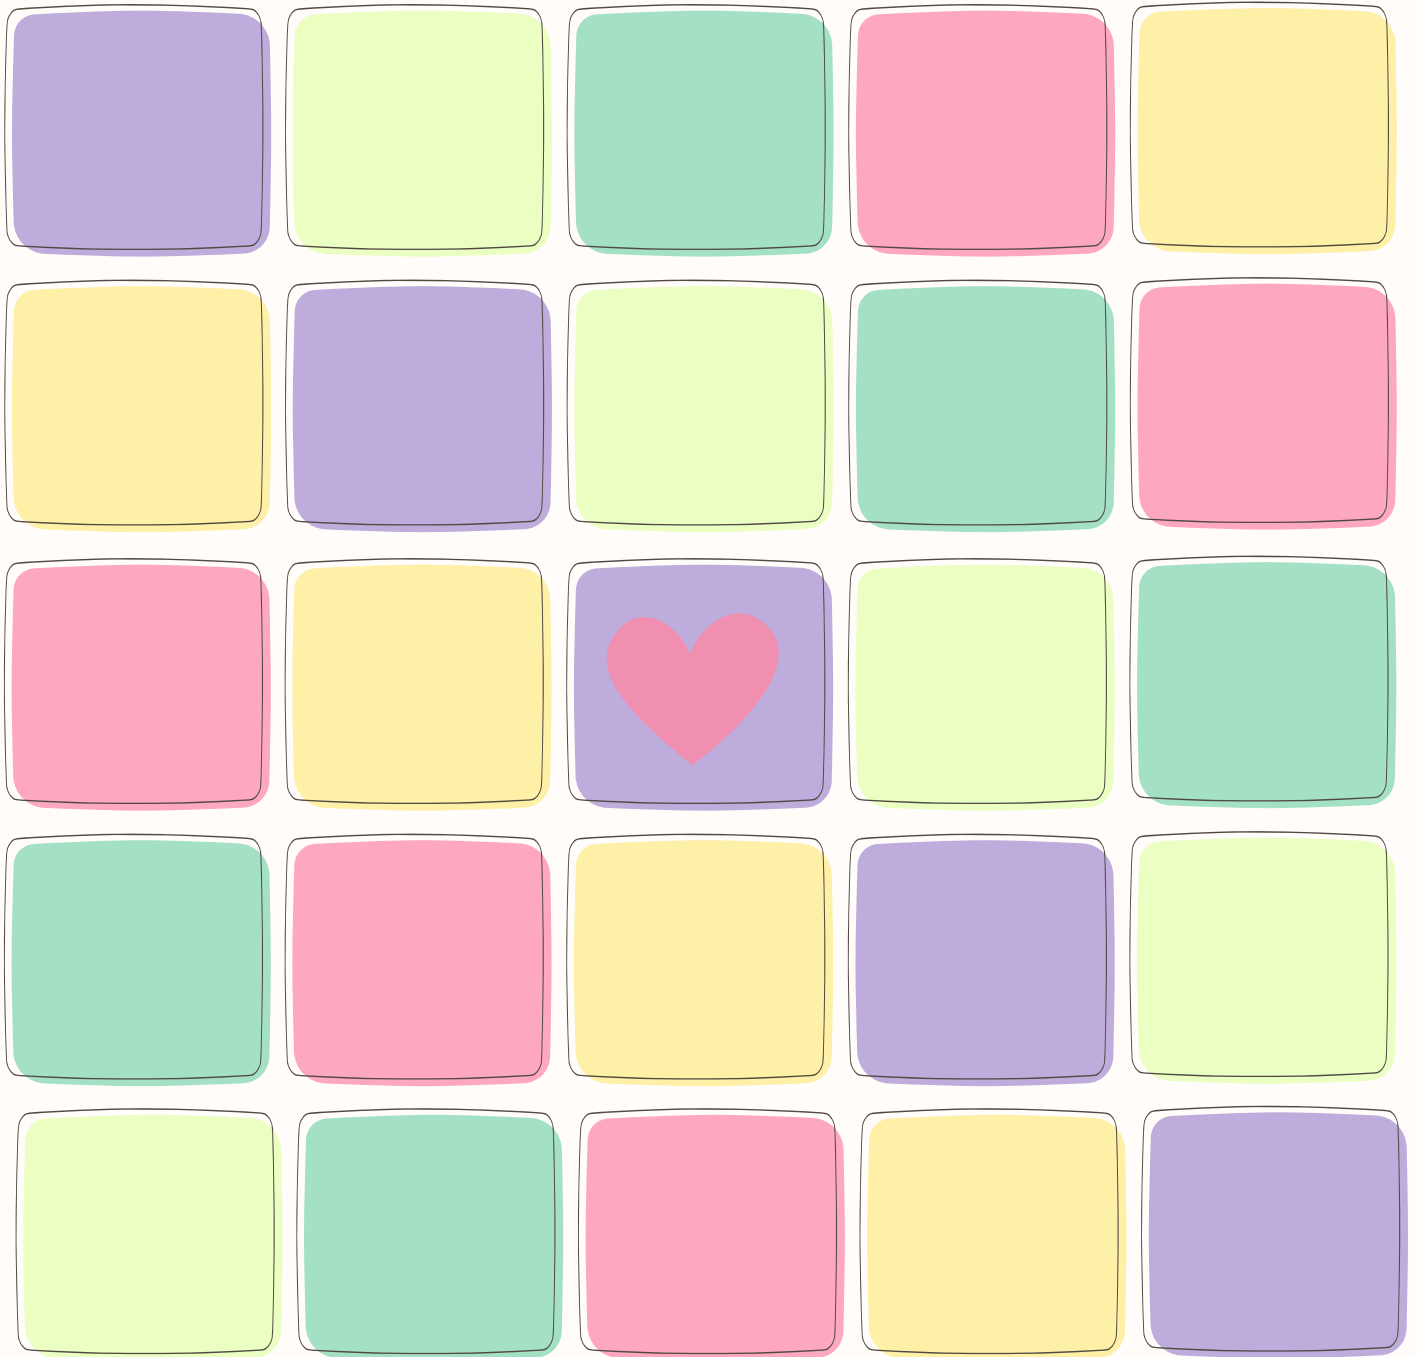

Creative Time – Draw or journal about your favorite moment with your horse from the bingo challenge.

For an Ultimate Bingo Reward (completing the whole card), plan something extra special—like a fun photo shoot with your horse, a horse adventure day, or buying a fun new piece of horse gear or toy!

Enjoy the journey, and have fun rewarding yourself along the way!
